

HOW TO DOWNLOAD ZOOM

FOR COMPUTER:

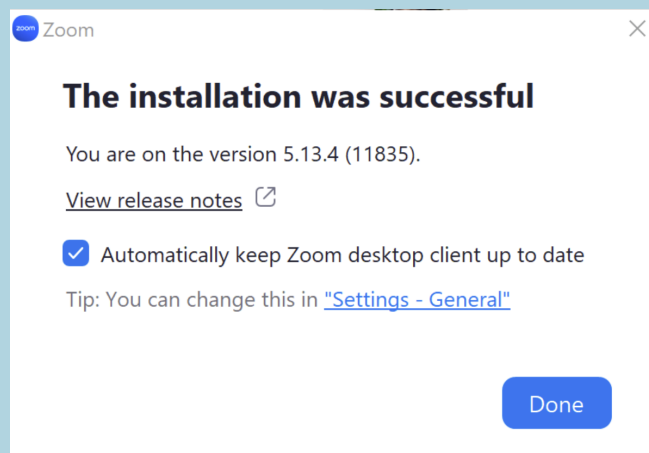

STEP ONE

In your internet browser, go to <https://zoom.us>. At the top of the page, click the Resources tab, and click Download Zoom Client. From there, press the blue Download button under Zoom Desktop Client.

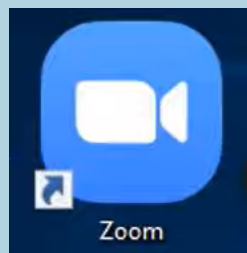

STEP TWO

In the bottom left of your screen, the Zoom installer will begin downloading. Double-click the installer after it finishes downloading to start the desktop client install. If you're using macOS, carefully go through the Zoom installer pop-up to decide where to install Zoom. There should be a pop-up message if the installation succeeded.

STEP THREE

Double-click the Zoom desktop icon to open Zoom!

FOR PHONE:

STEP ONE

Open the App Store and search for Zoom in the search bar. Press the Download button, and tap on the Zoom icon on your home screen to open it once it's done!

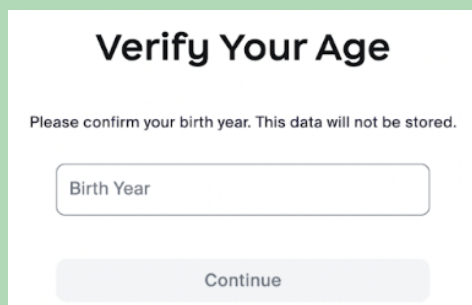

HOW TO MAKE A ZOOM ACCOUNT

FOR COMPUTER:

STEP ONE

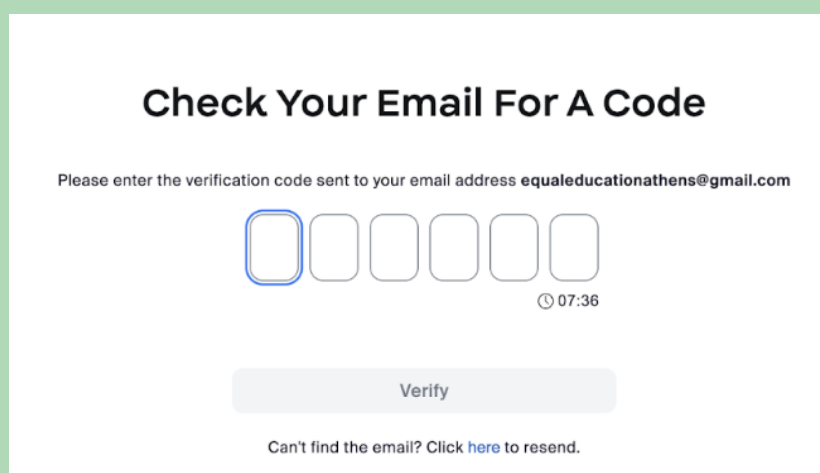

In your internet browser, go to <https://zoom.us>. At the top right corner of the page, click the Sign Up Free button, and enter your birth year to verify your age in the following screen.

The screenshot shows a white box with the title "Verify Your Age". Below the title is the instruction "Please confirm your birth year. This data will not be stored." There is a text input field labeled "Birth Year" and a "Continue" button at the bottom.

STEP TWO

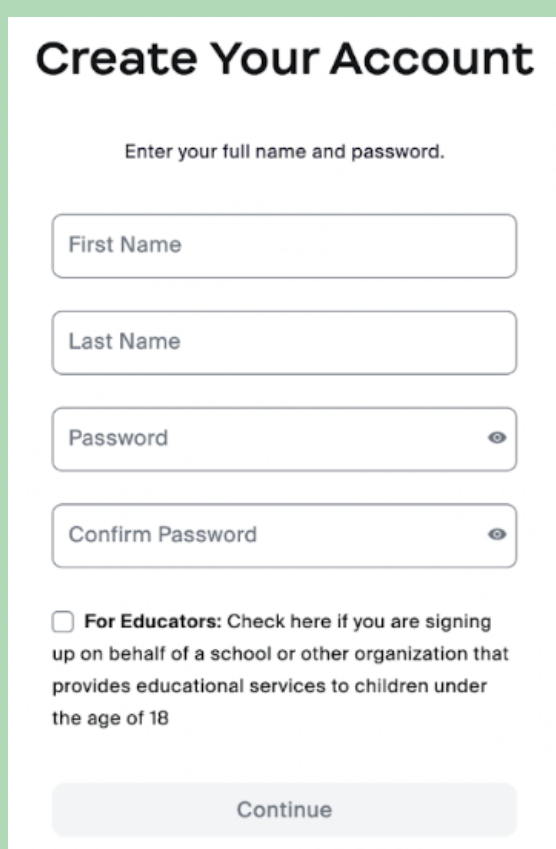

In the next screen, enter your email address and press the Continue button. Check your email for a code and enter it into the next screen.

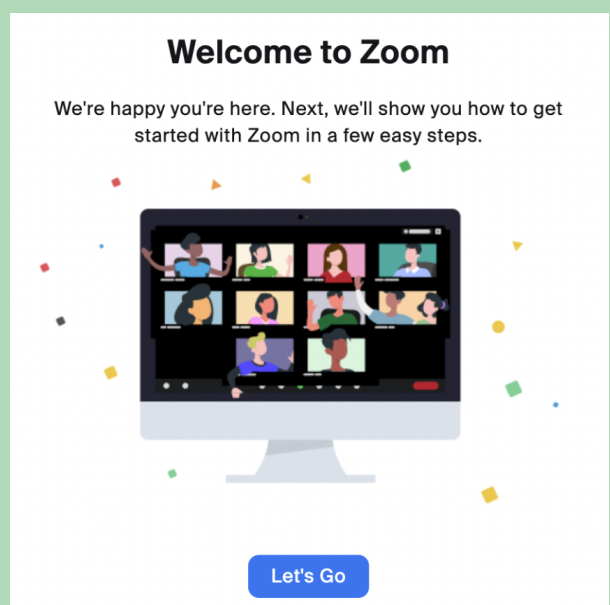

The screenshot shows a white box with the title "Check Your Email For A Code". Below the title is the instruction "Please enter the verification code sent to your email address equaleducationathens@gmail.com". There are six empty input boxes for the code, with a timer icon and "07:36" next to them. A "Verify" button is at the bottom, and a link "Can't find the email? Click here to resend." is at the very bottom.

STEP THREE

Enter your name and password to successfully and press the Continue button to create your Zoom account!

The screenshot shows a white box with the title "Create Your Account". Below the title is the instruction "Enter your full name and password." There are four text input fields: "First Name", "Last Name", "Password", and "Confirm Password". Below the fields is a checkbox labeled "For Educators: Check here if you are signing up on behalf of a school or other organization that provides educational services to children under the age of 18". A "Continue" button is at the bottom.

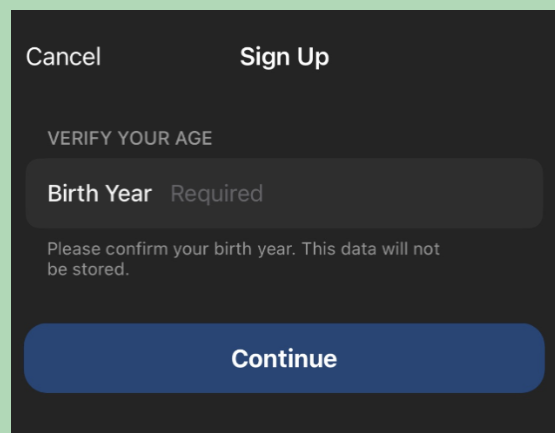

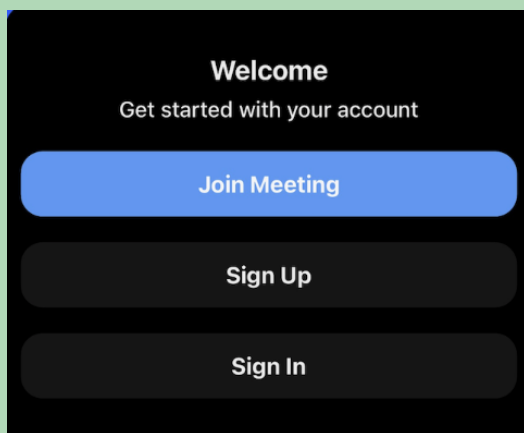

The screenshot shows a white box with the title "Welcome to Zoom". Below the title is the text "We're happy you're here. Next, we'll show you how to get started with Zoom in a few easy steps." There is an illustration of a computer monitor displaying a Zoom meeting with several participants. A "Let's Go" button is at the bottom.

HOW TO MAKE A ZOOM ACCOUNT

FOR PHONE:

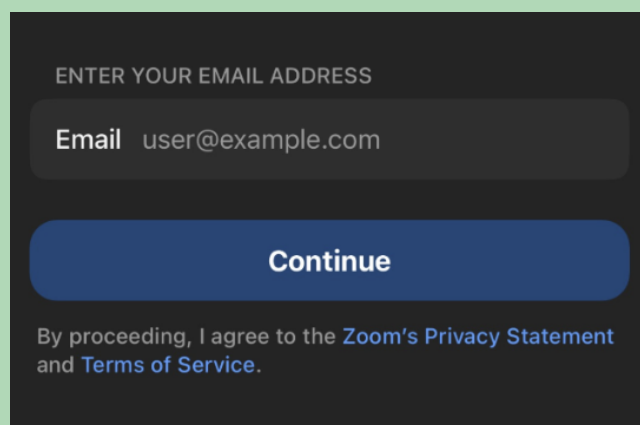

STEP ONE

Upon opening up the Zoom app, click the **Sign Up** button to create an account. Enter your birth year to verify your age in the following screen.

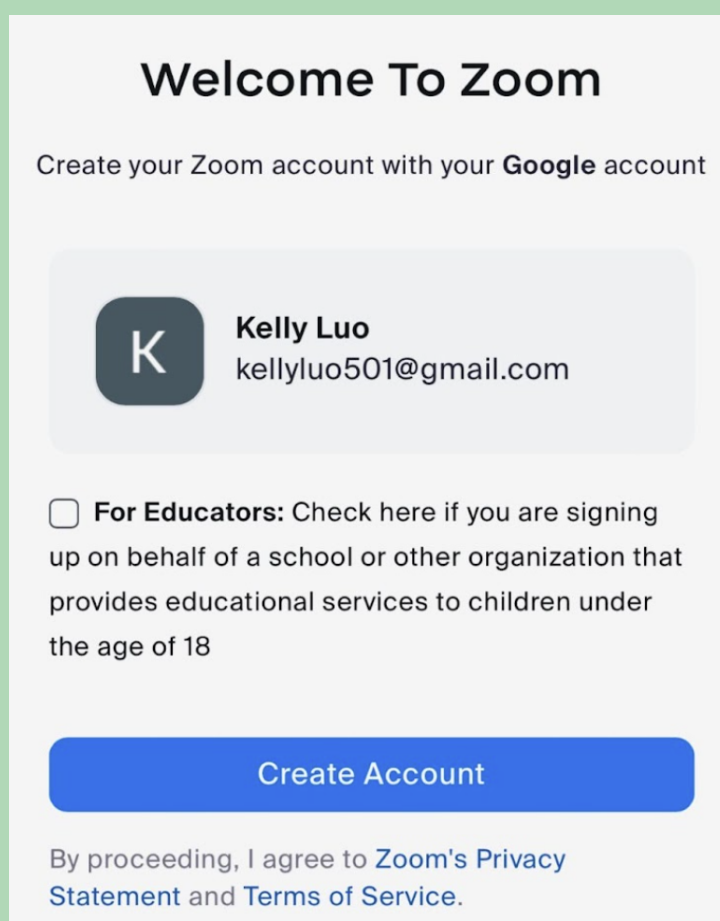

STEP TWO

In the next screen, enter your email address and press the **Continue** button. Check your email for a code and enter it into the next screen.

Click the **Create Account** button on the next screen, and allow Zoom to send notifications and access your calendar.

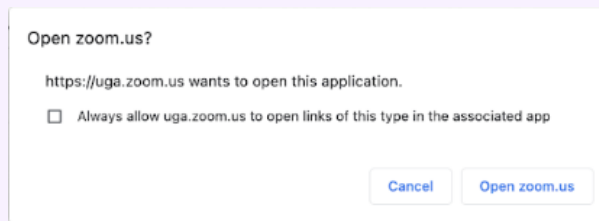

HOW TO JOIN A ZOOM MEETING

FOR COMPUTER:

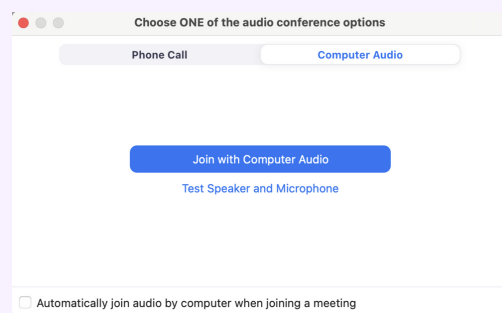

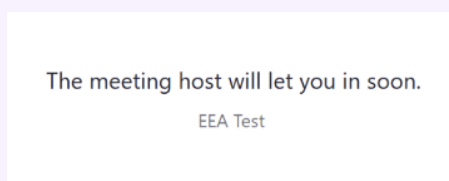

STEP ONE

Click the Zoom meeting link, and click the **Open zoom.us** button on the pop-up.

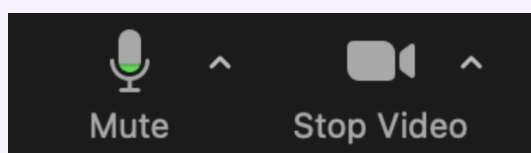

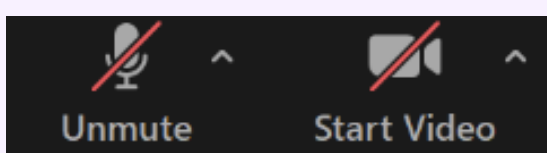

STEP TWO

If you see a screen saying "The meeting host will let you in soon," all you have to do is wait patiently before you're let in! After joining the meeting, click the **Join with Computer Audio** button on the pop-up.

STEP THREE

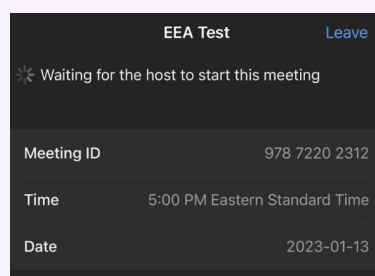

After joining with computer audio, make sure to unmute yourself and start video by making sure the audio and video buttons in the bottom left corner are on.
